Any unclaimed lost property from this term will be available to collect on Friday 20th October in the Green Room from 3.20pm.

Year 2 in action...

The children in Year 2 were very lucky to receive a visit from Chloe. Chloe was a torch bearer at the London Olympics 2012. She explained how she was selected for this honour and what she had to do, Chloe also talked about the history of the Olympic flame and the significance of the torch. The children were very excited to take part in their own Olympic torch procession.

Year 2 had a 'Greek Day' on Friday 22nd September. The children came dressed in Greek costumes or clothing to represent an Olympic sport. Part of the day included acting Greek Myths in the hall, led by Mr Bulloss.

Year 2 had a Science Enquiry Day on Wednesday 4th October. The children thoroughly enjoyed being a scientist and many asking if we can have another Science Day. Experiments included Rocket Mice, Skittle Experiment and the Malteser Investigation.

~ Roll of Honour ~

Each week we celebrate our children's achievements in special celebration assemblies. We celebrate academic success, sporting success, fantastic manners, role model behaviour or indeed anything else worthy of note. To be chosen to receive this is something to be proud of.

Sports Crew Chairman Alex M

Mr Fursdon has come up with a new group called the **Sports Crew**. We are trying to make Woodnewton a fit and sporty place for kids to come and enjoy better P.E and sports that all children enjoy. We have handed a letter around year 3, 4, 5 and 6 to see what children think about sport why they think that. We will be organising many different after/during school activities based on our surveys! All the children will be learning all sorts of things and trying their hardest to achieve their personal best.

Pacesetter Gymnastics – Monday before school.

Freestyle Dodgeball – Tuesday before school.

Freestyle Football – Wednesday before school.
