Dear Parent and Carer,

We are all finalising our preparations for the forthcoming productions which we are very excited to share with you all. We look forward to welcoming you to these in the coming weeks.

I hope you have all had positive Parent Consultation Evenings and further strengthened the partnership between home and the Academy.

At this time of the year we realise there are many pressures upon us all as families. Should you have any concerns or worries do not hesitate to contact Jez Lindsay, Designated Safeguarding Officer, the Community Team or myself.

I hope the final few days go well and wish you all an enjoyable festive break and a Happy New Year.

Isaac stood staring at the bottom stair, torn between the desire for adventure and thought of never getting back down again. With fear bubbling inside him like acid he took a brave step forward, and another, and another. Soon he was at the top. There was a wooden door in front of him bearing a brass plaque. It read, "He who enters finds true happiness." Isaac tentatively opened the door. He walked, unsteadily, into the room. He gazed, transfixed all around him. There were many doors; big, small, tall, wide, slim, green, wooden, metal and even ones with jewels embedded in them. Isaac pondered his options. He carefully opened the diamond encrusted door and stepped inside.
