

Dear Parent and Carer,

Thank you for your patience and understanding during the recent challenging weather conditions. If we have any more bouts of inclement weather please check our website or Twitter feed for updates.

I would like to take this opportunity to thank all children and staff involved in our recent performances. They were wonderful. Thank you parents and carers for coming along and supporting them.

I would like, on behalf of all at Woodnewton, to wish all our families celebrating Christmas a wonderful time and we look forward to seeing you all in 2018!
