

Woodnewton – a learning community

Rowlett Road CORBY Northants NN17 2NU Tel: 01536 265173

9 June 2020

Dear Parent/Carer

I hope this finds you and your families safe and well. The staff team have undertaken further planning to support you all with ideas and resources for 'Home Learning'.

It is beginning to look like The Government will not be expecting all the children to return before the summer holidays now. In order to support the children and yourself please do go onto The Academy website, Parents Zone, Home Learning tabs. Here you will find, under each Year Group, the newly added weekly planning. It is important to ensure there is a routine which will aid your child's transition back into The Academy when it is safe to do so.

Ensuring everyone's well-being and mental health is essential, daily exercise and routines do help with this.

Staff will be continuing to make contact for those not yet in The Academy. They will be checking in on your well-being, as previously, alongside now asking more about what 'Home Learning' is taking place and how it is going. Please be honest with the staff team as this will support their future planning.

Staff will be calling throughout the day so please do pick up the phone if it is an unknown number, no called ID, withheld number etc as it will more than likely be the staff calling if you have not received your weekly call. It really is important to us to make contact with you to check everyone is safe and well. If you would prefer a particular day or time, please let the member of staff know.

I look forward to being able to welcome all our children and families back into The Academy soon.

Stay safe and take care.

Yours sincerely

Glyn Rushton – Principal
