

Learning Project Summer 2, week commencing 15.06.20 – Sport.

Year 3

Weekly Reading Tasks	Weekly Writing Tasks
<p>Monday - Encourage your child to read for enjoyment, perhaps in the garden for a change or complete some reading comprehension activities- https://www.twinkl.co.uk/resource/lks2-inspirational-british-female-athletes-differentiated-reading-comprehension-activity-t-e-2548894</p>	<p>Monday - Visit the Literacy Shed for this wonderful resource on The Catch. Or, your child could write their very own celebration song. https://www.literacyshedplus.com/resource/the-catch-ks2-activity-pack</p>
<p>Tuesday - Remember it is also great to listen, or watch, someone read you a story. If you follow the link below, it will take you to Storyline, a channel on YouTube that has lots of stories read by celebrities. https://www.youtube.com/playlist?list=PLVkrNo2M8Jkps05VkXR32GK8nIBBEygCa</p>	<p>Tuesday - Ask your child to choose a sports person they admire. Get them to write a list of questions they would like to ask them. They could answer in role as their hero. Ensure your child uses a range of question words.</p>
<p>Wednesday - Research and read online with your child about The Olympics. https://www.olympic.org/ Which sport/s would they like to try? Why? Write 10 facts about The Olympics.</p>	<p>Wednesday - Your child could devise their very own sport, including rules, equipment needed and a scoring system. Why not test the sport out?</p>
<p>Thursday - Listen to these BBC children’s sport podcasts. https://www.bbc.co.uk/programmes/b03g64pm/episodes/downloads Alternatively your child can look through newspapers/ magazines and list all of the sporting vocabulary they find.</p>	<p>Thursday - Ask your child to choose a sport, which is popular in another country, and write their own set of instructions for how to play that particular sport.</p>
<p>Friday - Ask your child to read this extract from Quiz Whiz Sport. Encourage them to answer the questions on each page and record these in full sentences. https://www.lovereading4kids.co.uk/extract/7810/Quiz-Whiz-Sport-by-Tom-Jackson.html</p>	<p>Friday – Encourage your child to write their own story about the Underwater Olympics using this picture as a stimulus.</p> 

Weekly Spelling Tasks

Monday - As this week we are exploring the world of sport, below are listed the top 18 sports in the UK based on either TV viewing or participation. Can they order them alphabetically? How many can they learn to spell (there are some tricky words in the list)

Sport	TV Viewing	Participating	Interested In
Association football	46%	10%	45%
Rugby union	21%	NA	27%
Tennis	18%	3%	23%
Cricket	18%	2%	19%
Athletics	18%	2%	21%
Snooker	17%	5%	24%
Motor racing	16%	NA	20%
Rugby league	12%	NA	15%
Boxing	11%	NA	14%
Darts	9%	3%	NA
Swimming	NA	9%	NA
Gym	NA	12%	17%
Badminton	NA	3%	NA
Squash	NA	3%	NA
Watersport	NA	2%	NA
Skating	NA	1%	NA
Lawn Bowls	NA	1%	NA

Tuesday - The following underlined words below have been spelled incorrectly. Can your child work out what is wrong and fix the spelling?

They will bild a house.
I can't disside which to have.
It's too earlie to get up.
Get into a groop of four.
What is your adres?
I thort it was mine!
My birthday is in Februry.
That looks difrent.

Wednesday - Practise spelling these words: **myth, gym, Egypt, pyramid, mystery**. Can your child identify the spelling rule? (The 't' sound spelt 'y' elsewhere than at the end of words).

Thursday - Rainbow words. Choose 5 Common Exception words and choose different colours to write each letter and create rainbow words.

Friday - Proofread writing tasks from this week. Your child can use a dictionary to check any spellings that they're unsure of using the first 2/3 letters of the word.

Weekly Maths Tasks

Monday - Practise counting forwards and backwards from any given number in 5s. This can be done throughout the day.

Tuesday - Time how long it takes for your child to reach different parts of your home. Can they put these times in order, from fastest to slowest?

Wednesday - Please continue to practise on Times Tables Rock Stars.

Thursday - Can your child find the average temperatures in these Olympic-hosting countries and then order them? France, Germany, Canada, Norway and Russia.

Friday - NRICH is an excellent resource for the teaching of maths. The link below goes to a page that has lots of problem solving activities that will challenge and help your child to learn to solve problems systematically:
<https://nrich.maths.org/14580>

Learning Project for throughout the week.

The project this week aims to provide opportunities for your child to learn more about the world of sport. Learning explores the athletes and their sports, along with learning some great fun moves.

Our Sport Heroes

How many famous sports people can your child name? Ask them to choose a sports person and research online about them. Can they find out how and when they started their career, or any other interesting facts about them? Encourage your child to create a timeline that details all of the achievements of their sporting hero.

Tissue Paper Sports Logo

Ask your child to use scrunched up tissue and paint to recreate the logo for their favourite sport team or design and create their own sport logo, perhaps for their school team. Your child could sketch this with pencils as an alternative.

Super Movers

Encourage your child to take part in this football themed Super Movers! <https://www.bbc.co.uk/teach/super-movers/just-for-fun-super-movers-matchday-warm-up-1/zvdb6v4>
There are two levels - Super Movers are a great way to keep active and have fun! Try Go Noodle <https://family.gonoodle.com/> and dance along to one of their routines - there's plenty to choose from and the whole family can join in! Your child could design a poster encouraging others to take part in sporting activities. Ask them how they would persuade others to join in. What type of words could they use? Recommendation at least 2 hours of exercise a week.

Sharing Sportsmanship

Encourage your child to ask different family members about their favourite sports and any sports they took part in growing up - were they a part of any clubs? Did they take part in any competitions? Did they win any trophies? They might find out something new about their family members! Following this, can your child use the information to write a newspaper report recounting one of the memorable events? They could include quotes from the interview.

Powerful Paralympians

You could explore diversity in sport with your child. Ask your child to find out about the Paralympic games and famous paralympians such as Ellie Simmonds. How have these people overcome challenges to represent their country in their chosen sport? They could write a letter/email to a chosen athlete and ask them questions about their sporting journey. Or they could draw a detailed sketch of the athlete during a winning moment.

STEM learning opportunities.

Body Facts or Body Fiction

- Body facts and body fictions - Measure and compare specific body parts and identify any relationships between lengths of particular body parts.
- Legs for leaping - Discuss how body differences might give advantages in different sports and investigate whether there is a relationship between leg length and jump distance.
- Design a super athlete - Investigate the relationships between other body parts and activities and identify which muscles work hardest during different activities.

Additional learning resources you may wish to try.

BBC Bitesize - Lots of videos and learning opportunities for all subjects.

Classroom Secrets Learning Packs - Reading, writing and maths activities for different ages.

Twinkl - Click on the link and sign up using your email address and creating a password. Use the offer code UKTWINKLHELPS.

White Rose Maths online maths lessons. Watch a lesson video and complete the worksheet (can be downloaded and completed digitally).

Times Table Rockstars and Numbots. Your child can access both of these programmes with their school logins. On Times Table Rockstars, children should aim to play Sound check for 20 minutes daily.

IXL online. There are interactive games to play and guides for parents.
