Friday 6<sup>th</sup> October 2023

Dear Parents/Carers,

It was good to see families attend our Information Evening about our new 1:1 iPad initiative we hosted on Monday 25<sup>th</sup> September 2023. The response has been positive, and we are very excited to be embarking on this journey alongside you and your children.

The next steps are for you to indicate that you have read the information shared with you and agree to the terms set out. In doing so, this will allow the iPad to go home with your child on 11<sup>th</sup> October 2023.

To do this, please follow the steps outlined below.

Please complete the permission slip below confirming that you agree to the terms and conditions set out. iPads will **NOT** be allowed off site with your children until this signed agreement has been received.

If you have read the information and have further questions, please don't hesitate to get in touch. Equally, if you have read the information and do not wish for the iPad to go home at this time, please let us know and we will ensure your child can access their device at school.

Kind regards

Kate Harle

Deputy Head Teacher and Futures Lead
