Dear Parents/Carers

**Disability Access Fund**

Does your child receive Disability Living Allowance (DLA)? Does your child attend one of our Nursery Provisions?

If you answer yes to both of these questions, our school may be entitled to a one off payment from Disability Access Fund (DAF). This money is awarded to settings to provide additional resources or experiences to support children's learning and development.

If you think, your child might qualify for this funding, please email [send@woodnewtonalc.com](mailto:send@woodnewtonalc.com) with the title DAF funding and we will get back to you with further details.

Yours sincerely

Vickie Medland

TYOP Lead Practitioner
