

Science Long Term Overview

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
FS1 and FS2	<p>FS1 and FS2 do not follow the Kent Scheme but instead plan 'in the moment' activities according to the children's interests. This supports children's learning of Understanding of the World aspect of the EYFS.</p> <p>Early Learning Goal relating to Science</p> <p>At the end of Reception, children are assessed against the Early Learning Goals. For Science these relate to Understanding the World. Children will be able to confidently talk about the world around them by describing what they see, hear and feel outside. They will also understand the effects of seasonal changes and how their immediate environment differs from other environments in the natural world.</p>
