27 March 2024

Dear Parent/Carer

Easter Homework Pack – 28th March 2024

As the SATS are fast approaching, from May 13th to May 16th, we have developed a pack of homework which we would like your child to complete over the Easter break. There will be dojo points awarded for children who complete the whole pack.

The homework pack includes:

1. Maths practice booklet which includes Arithmetic and Reasoning practice.
2. EGPS mini tests - there is no time pressure, the emphasis is on getting all of the questions correct.
3. Reading Comprehension text and paper - there is no time pressure, the emphasis is on getting all of the questions correct.

Please note – the tasks do not require any resources other than a pencil, ruler and a mirror (although not necessary). It is more beneficial to spend a small amount of time each day (over the two weeks) on the homework pack as opposed to completing it all at once. However, we would also encourage children to use Numbots and TT Rockstars on a daily basis, as well as any revision on the IPAD.

Please could your child return their homework pack on Monday 15th April, on our return after the Easter break.

Thank you for your support in helping your child to achieve their full potential.

Kind regards

The Year 6 Team
