Dear Parents/Carers

## Our Year 6 children of 2024/25 and their new colour uniform

We have some exciting news to announce! Following on from this year with every Year 6 child being a leader, we have decided that from the academic year 2024/25, our Year 6 children will wear a different colour sweatshirt/cardigan than the rest of the school. We love the sense of 'team' and 'responsibility' that this different colour uniform will bring about to our school.

Our current Year 5 children (Year 6's to be!) have had a vote on the colour of the uniform and have chosen the colour Navy with the same Woodnewton gold logo. We all feel that this is a very smart choice. Well done Year 5!

To launch our new initiative, we would like to buy every Year 6 child to be, either a jumper or a cardigan. Please fill out the order form below stating the preference and size. Please ensure that your order form comes back into school by **Friday 3<sup>rd</sup> May 2024**. Please note as this sweatshirt/cardigan is for September it may be worth ordering a bigger size than what your child wears now.

We will look forward to presenting the new uniform to our new Year 6 children in a special Assembly being held in late July 2024.

For your information, the Navy colour uniform, including fleeces, will be available to purchase as usual on the Nationwide school uniform website from June 2024. More information to follow.

Thank you for your continued support.

Yours sincerely,

Kate West - Head of School

---

## Woodnewton – a learning community Year 6 children in 2024/2025

Please tick the box below to order one item for your child, which school will provide for Year 6 in September 2024.

Child's Name: ..... Class .....

	9/10 (30")	11/12 (32")	Age 13 (34")	Adult Small (36")	Adult Medium (38")	Adult Large (40")
Sweatshirt						
Cardigan
